PRESENTATIONS AND TEACHINGS

BEHOLDING HIS GLORY

36 minutes

As an artist paints a picture, so *Beholding His Glory* dips a brush into the brilliant colors of the Word of God to paint what no canvas could contain—a portrait of the Lord Jesus Christ. The first of the OEW presentations, *Beholding His Glory* combines more than 280 verses of memorized Scripture with a powerful live score by pianist Marvin Gaspard. Drawn primarily from the gospels and epistles, these verses trace the birth, ministry, passion, resurrection, and second coming of Jesus, proclaiming the message of the God who became man and “brought life and immortality to light through the gospel” (2 Timothy 1:10 NASB).

AND GOD SAID: THE VOICE OF CREATION

37 minutes

And God Said: The Voice of Creation surveys the seven days of creation, using the lens of Romans 1:20 to view “God’s invisible qualities—His eternal power and divine nature” (NIV). The text of the presentation spans 19 books and 67 chapters of Scripture, pairing each day of the creation story with a corresponding biblical truth about the God who lights the world, feeds the birds of the air, and offers rest to the weary. Magnificent images of nature complement the text, creating a vivid multimedia testimony to the majesty of the Creator.

FOR THE SAKE OF THE NAME

9 minutes

In His final instructions on earth, Jesus commands His disciples to “Go” (Matthew 28:19-20). *For the Sake of the Name* explores the meaning of the Great Commission and challenges us as Christians to answer the call of Isaiah—“Whom shall I send, and who will go for Us?” (Isaiah 6:8 NASB). A powerful refrain in the presentation, that call gives voice to a picture montage from a dozen local and international mission organizations who have answered—“Here am I. Send me” (Isaiah 6:8 NASB).

ON EVERY WORD

4 minutes

In just four short minutes, *On Every Word* captures the heart of this ministry toward the Word of God by compiling the testimony of Scripture about itself. His Word is all encompassing, all sufficient, and all sustaining. Let this presentation encourage you with one hundred promises of Scripture and convict you with the knowledge that, “Man shall not live on bread alone, but on every word that proceeds out of the mouth of God” (Matthew 4:4 NASB).

HIDING THE WORD

1 hour

Have you ever carefully hidden something and then couldn’t remember where? The same may be true for many Bible verses we’ve memorized over the years. God commanded that His Word be written upon our hearts as a treasured possession – more desirable than gold – the Word of Life. Accompanied by a PowerPoint presentation, the *Hiding the Word* workshop explains how to enjoy effective Scripture memory that glorifies God, deepens your spiritual life, and hopefully prevents frequently trips to the lost and found.

VALUING THE WORD: THE WILLIAM TYNDALE STORY

30 minutes

Journey back in history through this amazing story of God’s sovereign plan to unleash the Bible into the English language. It is a testimony of commitment and courage as William Tyndale faces persecution, exile, betrayal and even death in order to finish the translation as well as the race God set before him. This teaching, accompanied by a PowerPoint presentation, puts flesh and blood on a history lesson that few know, but everyone should hear and be moved to a deeper appreciation for the precious Word of God.

ABIDING IN THE WORD: A MONTH-LONG FEAST OF DAILY BREAD

30 minutes

It is possible to be filled, but still empty...both physically and spiritually. Since there is a difference between merely consuming and truly being nourished, this teaching explores our consumerist tendencies, even toward the things of God, and helps diagnose the symptoms of spiritual malnutrition. God’s prescription comes in the form of a month-long invitation to feast, rest, abide and be nourished on His Word of Life as your daily bread.
