## MINISTRIES

### POWER OF THE WORD

We know there are many ministries you can and do invest in — probably with more visible metrics than On Every Word. Even though we use a variety of methods — speaking, writing, devotionals, Anchor Points, teaching and videos — it's difficult to quantify the full impact of the Word. Since we make everything we do freely available on our website, via Instagram, texts, emails, Facebook and YouTube, and also in partnership with many other ministries on their sites, it's certainly a challenge to measure. In 2019, we know that an average of 3,500 people/month visited our website and over 20,000 heard the Word spoken live. We also know the Word of God is far-reaching, never returns void and always accomplishes His purposes. Thousands are begin fed with the Bread of Life — yes, by visible means, but also on flash drives and SIM cards in persecuted areas. And by giving it away, we lose control of the stats, but why would we put the Word of God in chains? The Word is supernaturally powerful and must be proclaimed by all means God has provided to us! Thank you for helping On Every Word Ministries continue to fulfill His calling. (Pictured: Matthew 4:4 in Greek NT).

**JARS OF CLAY** We are so excited thinking about how God is going to use this newest spoken Word presentation "Jars of Clay" (to be completed early January 2020). The Enemy of our souls is fragmenting many lives with lies and stealing our identity in Christ. As fragile jars of clay, the Enemy seeks to shatter us, but we will show how Jesus restores us to wholeness as the truths of who we are in Him are spoken over us.

**HOW GREAT A LOVE** God has used this 5-minute presentation over the past year to reassure thousands of His great love for them. Oh, how well He knows us, and how deeply He loves us! If you've not yet had the opportunity to see *How Great a Love*, here's the link: <https://oneeveryword.com/presentations/how-great-a-love/>

**ISRAEL** Suzanne and I are so grateful to have experienced Israel for the first time back in April with JoAnn and Tom Doyle as our shepherds. The trip was more than we could have ever hoped for. How incredible to walk where Jesus walked and see the pages of the Bible take shape right before our eyes!

**ON THE HORIZON** For strategic reasons, we plan to continue creating spoken Word presentations around 5 minutes long. We are praying about doing our next one on the wisdom of not pursuing earthly kingdoms and building sand castles, but by building upon the only sure foundation, the Rock of Jesus.

**DOUBLE BLESSING** We were incredibly blessed by God to have two more grandchildren born in 2019 — Samuel and Hannah (joining Noah, McKenzie, Graham and Jonathan). Susu and Poppa sure love these kiddos! If you did not read the special word about the two newest gifts from God, please check out "Shiloh" at <https://www.oneeveryword.com/shiloh/>

### PRAY

Would you ask God right now to multiply His Word and impact through On Every Word and our ministry partners? A great harvest still awaits, but we cannot do it without your faithful partnership in prayer!

### TELL

Would you **introduce** just one key pastor, conference, school or ministry leader, or maybe a friend to On Every Word? We need your influence and eyewitness testimony in order to keep spreading the Word!

### GIVE

Would you please consider **investing** in On Every Word Ministries? You may give by check, via credit card on our website or by making an in-kind donation through our account at Ascension Capital Advisors.
